# th THE HEART OF TRANSFORMATION

The World Innovation Forum (WHIF) is the premier global convention bringing together healthcare leaders, innovators & policymakers from across the healthcare sectors for three days of ground breaking discussions and collaborations on medtech innovations that will define the future of global health.

# LEADING VOICES LASTING IMPACT

# 3 Days!

In 2026, WHIF will strengthen its global footprint by bringing together the most influential voices in global healthcare, from fortune executives to breakthrough innovators shaping the next era of healthcare.
